SEBASTIÃO SALGADO 10

The world's displaced children: multiple-award-winning Brazilian photographer, Sebastião Salgado, and his compassionate series of black and white portraits

CHRISTIAN C. IRRGANG 58

Farmhand Heaven: a sensitive reportage from an agricultural old peoples' home near Luzern, Switzerland

TECHNOLOGY

LEICA: LOOKING FORWARD 6

Interview: How Leica prepares for the future

TESTING TRIPODS 28

Those wanting to exploit the potential of Leica lenses should, especially in combination with long focal lengths, get their hands on a decent tripod. We discovered how steady they remain under weight and pressure

M LENSES: SUPER WIDE ANGLES 38

Part one of a new series on current M system lenses: focal lengths 21, 24 and 28 millimetres

WORKING WITH RAW FILES 46

Even digital photos want to be developed, at least when they are in Raw format. We introduce various conversion programmes and their functions

COMPOSITION IN BLACK AND WHITE 52

LFI ACADEMY Graphic abstraction: composing with the rhythm of lines, surfaces, light and shadow
