DIGNITY IN FOCUS 6

Life between dust and wreckage: Australian photojournalist Mathias Heng documents life after disaster with pictures that are both sensitive and powerful

THAT'S PHOTOGRAPHY 20

To celebrate Andreas Feininger's 100th birthday, the 'Stiftung Moritzburg' art museum in Halle, Germany, has dedicated an exhibition to this legendary photographer

LAKE NEWTON 62

This American photographer supported himself as an English teacher in South Korea. His forays through the streets of Gwanju speak of the exotic allure of timeless femininity

TECHNOLOGY

LEICA M8 26

How Leica plans to fix the infrared problem

CONSTANTINE MANOS 40

A Magnum photographer hits the road with an M8

ELMARIT-M 28 MM F/2.8 ASPH 45
