PORTFOLIOS

JULIA BAIER 6

Sentos, Japan's traditional bathhouses: public and yet private. Photographer Julia Baier immersed herself in the bathing culture of the Far East. The result is a black and white series that is as clear as it is contemplative

NORBERT ROSING 62

The World of the Polar Bear: for 20 years, wildlife photographer Norbert Rosing has been fascinated by the Arctic Circle. His photos speak of this passion

TECHNOLOGY

FLASH PHOTOGRAPHY WITH THE LEICA M8 22

Never before has flash photography with the M system been as beautiful as with the M8 and its newly developed M-TTL measuring system

UNIVERSAL WIDE ANGLE VIEWFINDER M 40

Available at last: the viewfinder attachment specifically for the Tri-Elmar-M 16-18-21mm f/4 Asph

LEICA M8: FOLLOW-UP 42

Hardware modification and infrared filter program: can M8 photographers finally pop the champagne cork?

DIGITAL-MODUL-R 50

Michael Leibfritz's python portraits and his clever invention, which provides the DMR with extra steadiness

THE 8-BIT CONTROVERSY 54

Leica's decision to store the sensor data of the M8 in 8 bits is often misunderstood
