### PORTFOLIOS

#### **F.C. GUNDLACH** 8

"I wanted to inspire people." The most prominent fashion photographer F.C. Grundlach talks about Zeitgeist, beauty, and the art of photographing a raincoat

#### **PHILIPPE BRAULT** 62

Four years after the tsunami, Brault documented life and reconstruction in the Indonesian province of Aceh. A sensitive reportage on the gruelling path to normality

### TECH-TALK

#### **INKJET PRINTER REPORT** 26

Which photo printer is the most accurate at fixing colour and greyscales on paper? We tested six A3+ devices made by Canon, Epson and Hewlett Packard

#### **LEICA M8** 38

The Dutch brothers Rinze and Joost van Brug swear by the combination of M8 and Noctilux in fashion and beauty photography

#### **LEICA CLASSICS** 46

The O-Series from 1923 was released in the form of a reproduction in the year 2000. US journalist Brett Davis is fascinated by the slightly different way of taking pictures with the help of a lens cap

#### **PHOTOGRAPHING CHILDREN** 52

Children are one of the most popular photographic motifs of all. Here, the risk of creating kitsch lurks within each exposure. We provide a few incentives to creating expressive shots
