PORTFOLIOS

PEER KUGLER 10

In search of new impressions, Peer Kugler makes his way through Western metropolises. Avoiding ready-made protocols of everyday life, his snapshots depict personal feelings – isolated in time and space, yet utterly international

PATAGONIA 62

Cold beauty and vast loneliness: Werner Mansholt photographed Patagonia's rugged nature, without hiding the signs of civilisation. The result is an impressive reportage from southern South America

LEICA: NEW IMPULSES 6

With Steven K. Lee as the new CEO for company planning and strategy, Leica's market orientation may soon change considerably

M8 – DIGILUX 3 – V-LUX 1 28

The new Leicas and the big lab and field tests: noise behaviour, colour reproduction, detail resolving capacity. Converting Raw with Capture One LE. Stefan Thonesen: Urban impressions with the M8

WHEN COLOURS FADE 54

Older colour material is shockingly unstable. Without timely – digital – restoration, pictures from the 1970s and 1980s could soon be lost forever
