KAI WIESINGER

8

For his latest film, 'Wunderkinder', Kai Wiesinger stood in front of and behind the camera: using an M8, the actor captured insightful moments of everyday life on a film set.

ANDREAS DEFFNER

52

The Andaman archipelago lies in the Bay of Bengal. Andreas Deffner's subtle black & white images reveal the rituals, traditions and customs of the Karen people who have lived there for generations.

TECH TALK

SHARPNESS, RESOLUTION AND MOIRÉ

20

Part 2 of our exploration of the limits of resolution: How do lens and sensor resolutions behave in relationship to one another? What effect is produced when a lens has higher resolution than the sensor, and vice versa?

LEICA S SYSTEM

30

Three new adapters make it possible to use alternative medium format lenses on the Leica S2.

A CLASSIC OF LENS DESIGN

34

Leica historian Bahman Bawendi talks about the Summarex 8.5 cm f/1.5, the first Leica lens to get a coating as standard, and the only one to carry the name.

IMAGE CREATION

46

Part 10 in our workshop series with Torsten Andreas Hoffmann: Photographing landmarks.
